Na La'au o Hawai'i

Hawai'i Forest Industry Association's
23rd Annual Statewide Juried Woodworking Exhibition

Sunday, September 20th through Sunday, October 11th
Honolulu Museum of Art School Linekona Gallery
1111 Victoria Street, Honolulu, Hawai'i

STATEMENT OF PURPOSE:

Hawaii's Woodshow 2015™, *Na La'au o Hawai'i*, is the annual juried woodworking exhibition sponsored by the Hawai'i Forest Industry Association (HFIA). The exhibition is designed to increase public appreciation for participating artists and the materials they use, as well as promote the positive role of forests in our economy and ecology.

The exhibition requires the use of wood from Hawai'i-grown tree species, especially those planted and brought to maturity in Hawai'i. Use of woods from rare, lesser known, and/or endangered species is considered contrary to the spirit of the exhibition and is not allowed, even if salvaged deadfall.

RULES:

1. In order to promote use of Hawai'i-grown woods while conserving indigenous and endemic Hawaiian species, the following woods are not allowed:

Inadmissible Indigenous and Endemic Species:

A'ali'i, <i>Dodonea viscosa</i> ;	kauila, <i>Alphitonia ponderosa</i> &	mehamehame, <i>Fluggea</i>

hame <i>Antidesma platyphyllum</i> ;	loulou, <i>Pritchardia</i> spp.;	<i>Tetraplasandra</i> spp;
hoawa, <i>Pittosporum</i> spp;	mamane, <i>Sophora chrysophylla</i> ;	olapa, <i>Cheirodendron</i> spp;

	maua, <i>Xylosma</i> spp.;	uhiuhi, <i>Caesalpinia kawaiensis</i> .

This list is not comprehensive; other species may also be ruled inadmissible. Entrants are urged to use common sense and if in doubt, call Marian Yasuda at 808-221-5171.

2. Imported woods are allowed only if the application is traditional, such as spruce for a guitar top, or used as accent or trim. If used, imported wood must comprise less than 10% of the volume of the piece. Entrants are asked to keep the Hawai'i-grown theme of the show in mind.
3. Imported materials such as plywood, MDF and high-density foam may be used as substrates where a locally produced alternative is not available.
4. Wood salvaged or recycled from sources such as demolitions, green waste, and beaches may be used unless cited as inadmissible on the above list.
5. Entrants may submit up to **four** entries, one of which may be designated as not for sale. An entry may consist of more than one item if there is a relationship between the items, such as a table and chairs of like design.
6. Entry fees are nonrefundable.
7. Entries must be freestanding, self-supporting, or submitted for judging and display with hardware for hanging and complete installation instructions for the volunteer staff. Any unusually large entry must disassemble and reassemble easily; entrant must be present at a time specified by the staging committee, if notified, to assist with display.
8. After paid and signed Entry Forms are received by HFIA, entrants are e-mailed the **Entry Description Form** and information about photography options. Entrants must submit, electronically or via mail, this form with information about the category in which pieces are entered, pricing, materials used, artist contact information, volunteer schedule or no-sit fee, and other pertinent information. These details are important for planning and critical to assure accurate signage and program information.
9. A **30%** commission is assessed by HFIA on all entries sold through the exhibition to help defray production costs. Entries should be priced with this commission in mind. HFIA will add GET at 4.712% to the sales price. *Entrants are responsible for paying GET on items sold* (minus HFIA commission.)
10. All entries must remain on display for the duration of the exhibition.
11. **Shipping of sold entries is the responsibility of the entrant in agreement with the buyer.**
12. **Important:** HFIA will not be liable for damages incurred to individual entries. *Participation is at the risk of the entrant.* Entrants can minimize risk by self-insuring and, if shipping from a neighbor island or the mainland, careful crating. If your crate exceeds 36" x 80" in width and height, the crate **must** be able to be disassembled. **To ensure best handling of your work, please enclose a photo of the piece in the crate as well as detailed instructions for re-crating.** While HFIA makes every effort to handle entries with care, the entrant signature required on the entry application will serve as acknowledgement that the applicant indemnifies HFIA against damage or loss incurred in any phase of handling. Entries will not be accepted without a signature.
13. HFIA covers the cost of shipping from the neighbor islands to O'ahu and back when the following conditions are met:
 - a. Neighbor island entrants meet the schedule defined by their respective point persons.
 - b. Entrants are responsible for packing their work securely in sturdy reusable crates and delivering them on time to designated consolidation points.
 - c. Entrants must declare value for shipping insurance purposes - declared value should reflect replacement value, not gallery value.

14. Out-of-State entrants should contact Marian Yasuda at 808-221-5171 to make all necessary arrangements. Shipping outside of Hawai'i is not covered by HFIA.
15. **DROP-OFF LOCATIONS and POINT PERSONS** for neighbor island entries are yet to be determined. Entrants will be notified of specifics at a later date.
16. Entrants are required to serve as docent for **one shift per Woodshow entry**, designate someone to fulfill this requirement in place of the entrant, or pay a nonrefundable no-sit fee. **No-sit fee schedule:** O'ahu entrants-\$60. Neighbor island entrants-\$35.
