FOR IMMEDIATE RELEASE

HAWAII' FOREST INDUSTRY ASSOCIATION ANNOUNCES 2021 HAWAII'S WOODSHOW

The 29th Annual Statewide juried woodworking exhibition, Hawaii's Woodshow - Na La'au o Hawai'i, is once again presented by the Hawai'i Forest Industry Association (HFIA), and features extraordinary heirloom-quality works made by some of Hawai'i's finest wood artisans. Be prepared to see amazing works of furniture, sculptures, musical instruments, accessories and turned bowls made from beautiful Hawai'i-grown woods!

Work from the Innovation + Imagination Student Challenge (I+I) will also be featured. Participating students come from the University of Hawai'i at Mānoa (School of Architecture), Brigham Young University, and select high schools from around the state.

Top awards this year include the Kent Exploration Award, the Spirit of the Show Award and Best in Show. Email for complete list of awards and additional information.

HFIA is a nonprofit corporation founded by people committed to sustainable forest management. Their mission is to promote healthy and productive forests and a sustainable forest industry through forest management, education, planning, information exchange, and advocacy. In turn, Hawaii's Woodshow promotes the positive role forests play in Hawai'i's culture, economy and ecology.
